

**NAMI SERVICE PROVIDER EDUCATION PROGRAM
FOR PROFESSIONALS/SERVICE PERSONS
WHO MAY COME IN CONTACT WITH A
PERSON WITH A MENTAL ILLNESS**

A series of 5 weekly classes structured to help service providers understand and obtain a broader knowledge of mental illness. The course is taught by a team of 5 trained volunteers – 2 consumers, 2 family members and a Mental Health Services Professional Provider. Upon completion of these classes, you will be presented with a Certificate stating you have successfully taken the NAMI Service Provider Program. (Note* only 1 class can be missed to qualify for a certificate.)

There is no cost to participate in the NAMI Service Provider Education Program. We think you will be pleased by how much first-hand knowledge this course offers and invite you to call for more information.
